On Friday during parade, a very appreciative audience of parents and students were entertained by Brianna, Emilie, Paige, Poppy, Chloe, Noah and Angus. The audience was amazed by their agility and flexibility as they danced, somersaulted and turned. These students had spent every lunch break over the last two weeks rehearsing and practising their routine. Everyone watching certainly enjoyed the performance. Thank you!

Thank you to all the parents who attended the Parent Information Afternoon last Wednesday. We hope this session was informative and helpful. If you have any further questions or you couldn’t attend this session, please contact your child’s teacher for additional information.

Mrs Tetzlaff is on leave for two weeks. During her absence, Mrs Warren is Acting Principal. Mrs Tetzlaff is due to return to school on Monday, 2nd March.

A friendly reminder to those who have not already returned their updated student details form along with Media and Internet consent forms. Could you please return them to the School Office as soon as possible so that our records are up to date. Thank you.

On Tuesday 17th February, The Toowoomba Chronicle Photographer will photograph our Prep students for the upcoming Prep feature in The Chronicle. Keep a lookout for this in the near future.

There will be a P & C fundraising meeting on Wednesday 25th February, at 5.30pm, in the staff room. If you have any fundraising ideas or are able to assist in any way, please come along. We look forward to seeing you there.

Toowoomba City Mobile Library

Every Friday outside of the school between 9.45 and 10.45 am.
Hello Everyone,

I hope 2015 has started off well for you. My name is Mrs Suzanne Weedon and I am your school’s Guidance Officer. I will be visiting your school throughout the year. Most of my work involves helping students enjoy school and reach their potential... "The sky’s the limit," but sometimes we feel weighed down for some reason and it’s hard to take flight.

I work with the students, parents, teachers and specialists to pin-point the problem and together we can work on improving the situation. So, my role might include counselling, collecting data, assessing, networking and advising. I have an awesome job and see many positive outcomes.

During the year, your child’s teacher may approach you with concerns about their academic or social-emotional progress, or you may have a concern you would like to see me about. I require your permission to see your child, so please compete and sign a Guidance Officer Referral form - the Classroom Teacher or Principal has these. These referral forms will come to me via the school’s Student Support Committee. I will let you know when I have received it and usually call you in for a chat...and to keep you in the loop.

I look forward to meeting many people in your school community.

Kind regards,

Mrs Suzanne Weedon
Guidance Officer

Congratulation Nick and Emilie

On parade on Friday, Nick and Emilie received their Library Monitor badges. These 2 students have kindly offered to assist Mrs Gordon in our school library. Thank you, Nick and Emilie.

Congratulations to Noah, Paige, Jada, Mr Dale and Brianna who celebrated their birthdays recently.
The healthy lifestyle program for families called PEACH™ - Parenting, Eating and Activity for Child Health – is taking registrations now for a group to start in Toowoomba in term 2. The FREE program is available to families with a child aged between 5-11 years who is above a healthy weight their age. The program is fun for kids and helps parents and carers make healthy eating and activity a part of every-day life. It consists of 10 group sessions that run for 90 minutes each. The first 9 sessions are held weekly within the school term. Ongoing individualised family support is offered through the second half of the program ending with one final group session. Some of the topics covered include nutrition skills, relationships with food and eating, changing family lifestyle behaviours and making healthy eating affordable. While the parent sessions are taking place, children enjoy active play with a trained child physical activity facilitator. The program is funded by the Queensland government and being delivered by the Queensland University of Technology. If you would like more information about the PEACH™ program or to register please contact free call 1800 263 519 or visit www.peachqld.com.au
