Everyone was a winner, regardless of the horses, at the Wyreema State School Race Day. Mrs Megan Ryan (pictured above left) did most of the organising for the P and C’s recent fundraiser which culminated in an exciting afternoon and evening for all who were able to attend. All attendees looked resplendent in their best “racing” gear, the food was delicious, punting (including raffles and lucky prizes!) was exciting, venue looked magnificent, ambience was friendly and good company abounded! We already have school supporters excited about next year’s Race Day!

Special thanks go to Mrs Megan Ryan, our sponsors and everyone else who assisted and/or attended this great event :)

Great News! We’ve been nominated to participate in the Grill’d Local Matters donation program at Grill’d Toowoomba this month.

Every month, Grill’d donates $500 to local groups and asks their customers to decide who gets what money! We could win up to $300!

When customers buy a burger, they will receive a token to put into one of 3 jars representing different groups. Whoever has the most tokens at the end of the month receives $300. The other two groups receive $100 each.

To do your bit to help our cause, spread the word and head on down to Grill’d Toowoomba, located at 192 James St Toowoomba (*Red Edge Centre)

Two well-known and highly respected Toowoomba sporting identities, Richard “Mr Magic” Mitchell (Football - Soccer) and Clarence “Pop” Dickerson (Basketball) have teamed up to run SUPERCAMP (Football and Soccer) during the January 2015 school holiday period – Sunday 11 to Thursday 15 January 2015 - at Harristown State High School.

Supercamp has long been acknowledged as Australia’s premier sports training camp and with the combined knowledge of Richard and “Pop”, who both have been involved in their respective sporting codes for many years, it will undoubtedly continue to be regarded as the number one camp in Australia.

Richard and “Pop” would really appreciate support from our school! Should you have any questions regarding Supercamp, please do not hesitate to call 0417 196 151.

**CONGRATULATIONS LEXI!**

Lexi (pictured right with Mayor Paul Antonio) was this year’s recipient of the Mayoral Achievement Medal. Although Lexi tragically lost her mother at a young age, she demonstrates a brave and resilient spirit making her family and school staff very proud of her!

**UPPER POD TECHNOLOGY**

The Upper Pod students had 5 minutes to plan and then 10 minutes to build the highest construction that they could using 10 sticks of spaghetti and sticky tape. An additional complexity to the challenge was that they needed to be able to put a marshmallow on top and the construction needed to be free-standing! We had some mixed results with a lot of trial and error, but everyone worked together and the better constructions were great.
NEWS FROM OUTSIDE SCHOOL HOURS CARE:

What an exciting Term 4 we have been having at After School Care—exploring, experimenting and learning while also having so much fun! We have explored snails and other elements in the garden world, created new games, begun our Bucket Filler activity and become very creative. One of the main projects we focused on last month and this month is the Socktober Drive. This is about assisting homeless people by gathering socks and other items that they may find useful such as canned goods, blankets and clothing. We discovered this event through the Kid President via the Soul Pancake channel on YouTube and would like your help in getting the word out. Through this event we have created posters, written scripts and acted out puppet plays for us to share on YouTube to spread the word. OSHC has a box at the front office for any donations and at the end of November we will be sending these items to the Salvation Army. In the words of the Kid President “It’s time to be AWESOME!”

WELCOME Emma and Blake (pictured above) to our lovely little school! The Hockings family have recently moved to Wyreema from Bowen—please help us to make
