

WYREEMA P&C

Working Together, Achieving More

NOTE FROM THE P&C

The P&C is the forum for those who wish to advance the interests of the school and its students.

The P&C is open to all parents and guardians of children at Wyreema State School, as well as other interested persons over the age of 18 within the community. At Wyreema State School, the P&C aims to encourage and develop parent participation in the school. Participating doesn't mean attending every P&C meeting; however, we do lots of other things, all of which require support and involvement. Another of the focuses of the Wyreema P&C is to provide extra resources for the benefit of our students. These resources are provided as a result of fundraising; we run a number of events and activities throughout the year and would love to see some new faces at these.

If you have any questions regarding the P&C, please feel free to contact one of us from the committee or come to one of the meetings, held twice per term.
