

Thank You!

Thank you to all families for their contribution to the success of the P&C activities this year.

2017 has been a very successful year for us and this is all thanks to the support of the Wyreema State School community.

Thank you and see you in 2018!

Bake Sale Help

Can you help us with our bake stall at the Election BBQ on Saturday by donating a small amount of home baking?

We would be very appreciative of any contributions. There are packaging kits available from the office so that you can package up your baking and return it to the office on Friday, ready for sale on Saturday morning.

If you have a spare hour or two on Saturday we'd still love some extra helpers so please contact Tahnee on 0417 706 539 if you can assist.

TUCK SHOP

Tuesday Tuckshop

Don't forget Tuesday Tuckshop is a P&C fundraiser which means all profits go straight back into the school.

The menu is fresh, delicious and reasonably priced so please give it a try.

We've almost made it to the end of 2017! This year has probably been the busiest but also the most successful year our P&C has ever had. This has been made possible by our small but dedicated group of volunteers! Thanks to our core group of approx. 10 volunteers we have managed to raise over \$15,000 – imagine what we could do with a few more people! We also expect that number to grow a little bit more this weekend.

We have many things we'd like to achieve, a couple of which are

very costly projects, so we are raising as much money as we possibly can in order to make a real difference to the school and in turn, the students. Everyone who comes to our meetings can have a say in how we spend our profits and you can also give us input into what we can do better or differently with our fundraising.

So put up your hand to help with a fundraiser or come along to a meeting next year, we'd love to have you!
