Tonight P&C AGM and General Meeting, from 6pm

7th Mar Fete Planning Meeting, from 6pm

With our Annual General Meeting tonight, what better chance to explain who we are and what we do. Our P&C is currently made up of a few dedicated parents, grandparents, staff and community members.

We all have families and lead busy lives but we're motivated to help ensure our kids have the best possible opportunities at their school and for that reason, we sacrifice some spare time to try and make that happen.

We work as a team, we value everyone's opinions and ideas and try to utilise our varied skill sets to the benefit of the whole school community. It's not always easy but it is 100% worth the effort.

Some ways you can contribute to the P&C are:

- Coming to meetings and contributing your ideas and opinions
- Assisting with fundraisers – baking, BBQs, helping with Mother's/Father's Day stalls, etc
- Volunteering to help with grants research and writing

If you'd like to get involved please come along to our AGM. You absolutely don't have to be involved in every activity or event we hold. Some members aren't involved in any fundraisers but contribute to planning, research, grants, etc. There's a role to suit everyone, so we hope to welcome some new members tonight!
