

School Banking

A reminder that we operate a School Banking program on Fridays.

Please leave your child's bank book in the box in the office on Friday mornings by 8:45am.

There are great rewards for regular bankers!

New Committee

We held our AGM on 28th Feb and elected our executive committee for 2018.

Your 2018 P&C Executive is made up of the following dedicated parents:

President
Tahnee Coombes

Vice-President
Kellie Ashton

Secretary
Rebecca Hockings

Treasurer
Fiona Rohde

We're all excited to get to work and make 2018 our best year yet!

Tuckshop

The new Tuesday Tuckshop menu is proving to be extremely popular, it's great to see so many students and staff enjoying the fresh, tasty lunches!

Please ensure your orders are in by 8:45am Tuesday morning and that you are using our new order forms as the old menu is no longer available.

Coming Up:

Every Tues Tuesday Tuckshop

21st Mar P&C General Meeting, from 6pm

29th Mar Last Day of Term 1

Our AGM on 28th Feb saw a dedicated and enthusiastic new committee elected for 2018 and we welcome our new members and executive members.

We've got a new secretary and new treasurer this year and we feel that this is a great working group. We are all excited to get to work and help make 2018 even more successful than 2017! We've already got some great ideas in motion but we would certainly welcome any input from other families on ideas for fundraisers, etc that we should consider.

We realise many people avoid AGM's for fear of walking out with an unwanted job but with all positions

filled, now is a great time to come along and join us! Our next meeting is next Wednesday 21st March at 6pm.

Whilst we haven't had any fundraisers this term, rest assured we have been hard at work behind the scenes, planning for the fete, meeting with Ed Qld Facilities representatives to discuss where we can best invest our funds, considering areas of urgency and grants available.

As one of our first undertakings this year, we will shortly be concreting some areas around the toilets and Grade 1 & 2 buildings to alleviate the horrible mud areas which are a hazard to the students. This is the first of quite a lot of grounds improvements we hope to make.
