Welcome to the 2017 School Year!

The P&C would like to wish all of our families, both new and returning, a wonderful year ahead. Our vision for this year is one of growth, of increased resources and improved facilities for all of our children. To do this we would love to have as many parents, carers, grandparents & community members as possible on board to help. There are so many areas you can contribute - from providing fundraising suggestions; to

volunteering one Tuesday morning a month to help with tuckshop; to assisting with grants research and writing or cooking the odd BBQ. If you are interested in being involved we would LOVE to hear from you! Please come along to the AGM next Wednesday and join our friendly little committee.

Together we can make such a difference to our children's educational experience.
