## Getting Down to Work

Well, the dust has settled, we've done our socialising and now it's down to the work of supporting and improving our school. Thanks to our growing group of committee members, we're able to spread our focus to a couple of significant areas in the first half of this year. Namely – applying for grants and holding our very first fete!

Tahnee & Jo attended a P&C's Qld Grants Workshop last weekend, which was extremely informative and helpful and definitely gave us the tools to get to

work chasing some significant grants to build new infrastructure and purchase additional resources.

As well as this, our school fete will be held on Sunday 22<sup>nd</sup> July. We are going to fill the school with FUN & raise some great funds while we're at it!

Additional volunteers are always welcome. We will be contacting those who have completed forms very soon. If you would like to help us, fill in a form at the office or just come along to a meeting. We'd love to meet you!
