## Thank You!

This term we have been very lucky to have the support of many people, but we especially wanted to thank Born & Bread Bakery for their generous donation of all the bread for both our Meet & Greet and Movie Nights.

The support of local businesses such as Born & Bread makes a huge difference to us and we hope our community in turn supports them.

## Term 1 Wrap up

What a Term! We feel like we've laid the groundwork for a fantastic and productive year ahead for the P&C and we hope you can all see some of the work we've been doing starting to pay off.

This term we've turned Tuesday Tuckshop into a nutritious & delicious experience and we've also been able to implement an online ordering system. This is fully setup, we are just awaiting the link being put on the school website. Once this happens, you will be able to register your student/s and order their tuckshop weekly or up to a full term in

advance. Payment is made online also so there's no more need to worry about having cash. We will still be offering the traditional ordering system for those who prefer it.

We are hopeful we will be able to implement this system for uniform and fundraising sales in the next term also so please give the system a try and let us know what you think!

Lastly, it is our aim to make being part of the P&C a fun & rewarding experience and we'd love you to come and join us at a meeting next term ☺
