Science Circus

**The Science Circus is coming to
TOOWOOMBA!**

The *Shell Questacon Science Circus* is a great opportunity for parents and children to share, discover and explore science together. You can encourage a fascination and enjoyment of science by exploring hands-on exhibits.

Come along and spin like an ice-skater, discover how fast you can throw a ball, freeze your shadow on a wall and test your reflexes.

Spectacular science shows are presented regularly during opening hours. You may see giant smoke rings, bricks being smashed on someone's stomach or a *Science Circus* presenter holding fire in their hands!

Science toys for sale (cash only).
