What Went Well!

Basketball with Willie!

Toowoomba City Mobile Library
Every Friday outside of the school between 9.45 and 10.45 am.

Learning happens in many ways at our school—from left and around clockwise…….
Cheyianna and Holly with Mrs Gordon doing Reading Tutor, Mia and Chloe working on computers, Miss Smythe with Jorjee, Tremane, Emily and Trai working on Literacy and Luiza and Zoe working on handwriting. Our classrooms are always busy places where the learning never stops!

GOWEST (Go Women in Engineering, Science and Technology): Julie Boulton from GOWEST, USQ, visited our school and worked with some of our older student scientists. The students designed and built catapults—afterwards testing them with ping pong balls! GOWEST is run by USQ volunteer students, primarily to motivate girls to consider a career in otherwise male-dominated jobs.

WYREEMA SS LIBRARY
All students are encouraged to swap books every Thursday with Mrs Gordon.
Willie Farley from the Mountaineers basketball team spent time with our students last Wednesday. Willie is sponsored by the USQ and runs school clinics as part of the Promoting Positive Choices program. Willie made a great impression on the students, leaving them with smiles, a scarf and free tickets to watch his upcoming game!

Mrs Amanda O’Neil (pictured left with Mrs Warren and Miss Smythe) has finished her practicum in the Lower Pod. Although we’ll miss her from the classroom, we’ll still get to see her and her beautiful children at Playgroup! Thanks for being at our school Mrs O’Neil!
